Begin Issuing New License Plates

Girl Scout Council Receives Funds

Most important announcement at the Tuesday night, January 2, meeting of the Daly City-Colma Girl Scout Council was that the San Mateo County War Chest had forwarded a check for \$750 to the group to carry out a year's program of scouting for this area.

The January business session was held at the home of Mrs. Stella Jensen, commissioner, Colma. Among the reports from committee chairmen was one from the registrar, Mrs. Frances Windhurst, which revealed that there are now 189 Girl Scouts and 10 Brownies in this community.

During the December calendar sale, conducted to raise funds for the individual troops, five hundred of the attractive calendars were sold, according to Mrs. Alene Lehigh, deputy commissioner, in charge of the project.

Mrs. Cora Oberg, camp chairman, reported that Camp Monte Toyon in the Santa Cruz mountains would be available to local troops but that further details would have to be worked out when the leaders decided whether they were interested in the camp.

Present for the business meeting, Tuesday evening, and for the pleasant social which followed the serving of refreshments, were Mrs. Jensen, commissioner; Mrs. Lehigh, Mrs. John Mosman, Mrs. Lucille Lemon, Mrs. Hazel Marsh, Mrs. Hilda Heagney, Mrs. Cecelia Hale, Mrs. Muriele Pabst, Mrs. Janet Delucchi, Mrs. Windhurst, Mrs. Elsie Hesselein, and Mrs. Oberg.

Draft Board Has Three Jan. Calls

Mrs. Isabelle Flynn, chief clerk at Daly City Draft Board No. 103 announces that three dates have been received from Selective Service headquarters. Pre-induction physical examinations will be held January 13 for 49 men, and January 20 for 17 men. Twenty-six men under the jurisdiction of the local board face induction January 17.

Mrs. Flynn issued a reminder that all boys coming in to register with the board upon reaching 18 years of age, should bring birth certificates with them. This saves a great deal of time and detail for the registrant as well as the board, she pointed out.

NEWS OF OUR MEN and WOMEN IN UNIFORM

With The Fifth Army, Italy — Private First Class Duilio P. Biagi, 6055 Mission street, Daly City, is a member of the 350th Infantry Regiment, which recently took Mt. Battaglia in northern Italy and held it for seven days of almost continuous German counter-attack and close-quarter fighting.

The 350th, a unit of the 88th "Blue Devil" Division of Lieutenant General Mark W. Clark's Fifth Army, was ordered to occupy the mountain and reached its objective only a short time before German infantrymen apparently acted on similar orders. The 350th got there first and greeted the Germans with intense fire. It was the start of the week-long ferocious battle. Clouds hugged the mountain top, concealing advancing Germans until they were within a few yards of the defenders, and much of the fighting was done at a range of 50 yards. Six Germans were killed within the castle that marks the peak of the mountain.

Attacking two or three times daily, the Germans were supported by intense, accurate concentrations of artillery fire. In three mornings and one evening attacks they used flamethrowers. One counterattack temporarily denied the crest to the 350th, but the doughboys regained the dominant ground and continued to hold it.

Brigadier General Paul W. Kendall of Palo Alto, California, commanding general of the 88th Division, described the stand of the 350th as "magnificent" and paid high tribute to the "courage and aggressiveness displayed by every man in the regiment."

It rained continuously, and automatic weapons were repeatedly choked with mud. These were cleaned with all manner of improvised devices, including the undershirt and dress shirt of the regimental commander, Colonel J. C. Fry of Washington, D. C. Later, as the dense artillery concentrations on the 350th's mule-borne supplies on the approaches became highly effective, the defenders relied heavily on the weapons and ammunition of the fallen. There were many of them. When a heavy machinegun section dwindled to four men, not enough

to carry the guns and ammunition, one of the survivors ran back 1000 yards to the rear, gathered 19 replacements and returned to form a new platoon.

Sergeant Henry A. Sernack jr., 19, of Daly City, California, tail gunner on an Eighth Air Force B-17 Flying Fortress, has been awarded the Air Medal for "meritorious achievement while participating in heavy bombardment missions in the air offensive against the enemy over Nazi Germany." The presentation was made by his squadron commander, Major Howard C. Todt, of Audubon, New Jersey at a bomber station in England.

He is the son of Mr. and Mrs. H. A. Sernack, 101 Shakespeare street, Daly City. A graduate of Jefferson Union high school, he joined the AAF in January, 1944.

Sergeant Sernack is a member of the 487th Bomb. Group which is a unit of the Third Bombardment division, the division cited by the President for its now historic England-Africa shuttle bombing of the Messerschmitt airplane factories at Regensburg in southern Germany, August, 1943.

Sixth Army Group, France — Members of the staff of the 23rd General hospital who helped create that unit's fame as one of the outstanding hospitals in Italy are now hard at work in eastern France, rapidly building a reputation of the same kind on a new front.

To the officers, nurses and enlisted men, including Private First Class Lawrence P. Bos, 24 Alexander avenue, Daly City, of this hospital, Colonel John G. Knauer of Washington, D. C., commanding officer, gives credit for the fact that in 10 months' operation near Naples, the 23rd was able to take care of 29,362 patients — thousands more than any other general hospital in Italy.

In Italy, treating wounded from Cassino and the Anzio Beachhead, and later from the Northern Italy and Southern France fronts, the 23rd was

(Continued on Page 5)

Chairman Walter Lehigh Gives Final Report

Walter J. Lehigh, chairman, today announced that Daly City had purchased \$189,575.75 in bonds during the Sixth War Loan drive. This was \$41,183.75 in excess of this community's \$148,392 quota.

Daly City did not meet its E bond quota of \$130,930. However, with the final days of the drive, sales of this "people's" series did reach \$110,692.75.

Chairman Lehigh expressed his appreciation to all who made possible Daly City's better than 100 per cent showing in the campaign.

"Let's keep right on buying War Bonds," Lehigh urged. "It's the best possible support we at home can give the gallant boys on the fighting fronts."

New Year Weekend "Fairly Quiet"

All in all the Daly City Police force had a fairly quiet New Year's week end compared with some other New Year reports, but just the same there were the usual number of celebrants who probably had just a little too much of a good time. The force was on the job, however, and everything was kept under control.

During the week reports of dogs being poisoned, a cat throwing a fit, a lady being locked out of her house, auto accidents, a missing husband, a missing boy, vicious dogs, etc. kept local officers quite busy.

On December 30 Mrs. C. M. Weckerle, 130 Vista Grande avenue, reported that boys had broken a window in her home with a B B gun. Officer Hopman investigated. The boys were reprimanded and the gun was brought to the police station.

Albert C. Moltzer, residing at an auto camp, phoned police December 31 stating that an automobile had broken loose and crashed into his trailer. Upon investigating, Officers R. Beecher and Welsh found that considerable damage had been done to the front of the trailer.

Alexis Friman, 87, was found dead in his bed at 120 Santa Cruz avenue on December 31. A grandson called on Mr. Friman, but being unable to get any response from ringing the bell went through the garage door into the house, finding Friman dead in his

(Continued on Page 5)

Renewal Fees Delinquent, Feb. 5

New license plates—the first in four years—were available to motor vehicle owners of the Daly City area beginning Tuesday morning, January 2.

The registration renewal offices serving this area are located at 160 South Van Ness avenue, San Francisco, or at the San Mateo county office of the California Highway patrol, 601 Marshall street, Redwood City.

Only one plate will be issued for each vehicle and it will be displayed on the rear. The vehicle owner may obtain the plate by presenting his 1944 Registration Card (white slip) and the correct amount of the fee as shown in the lower left portion of the card.

It was emphasized that the 1944 Registration Card must show the present address of the applicant and that if the applicant has moved he should cross out the old address and print in the new carefully in ink. The 1945 Registration Card will be mailed to the address shown on the old card.

From Sacramento, Gordon H. Garland, Director of the Department of Motor Vehicles, announced 1945 plates and certificates may be ordered by mail by forwarding the fee and 1944 Registration Card to the certificate issuing office nearest the applicant's present address. Vehicle owners of this area who desire to conserve their gasoline and tires by using this method should mail applications to the Department of Motor Vehicles, 160 South Van Ness avenue, San Francisco.

Currency should not be sent by mail in payment of registration renewal fees and the department will assume no responsibility for its loss! Use Postal express or Bank Money Orders, certified or cashiers checks.

Renewal fees become delinquent at midnight, February 5, and are subject to heavy penalties thereafter.

Assign Deputies To Aid Taxpayers

Announcement of the dates and places deputy collectors of Internal Revenue have been assigned to assist taxpayers prepare and file Income Tax Returns for the January 15 period were made today by Collector of Internal Revenue Harold A. Berliner of the First California district.

The extension of time from December 15, until January 15, 1945, which permits taxpayers to eliminate the filing of Amended Estimated Declarations, by filing final and accurate returns, is expected to make the January period exceptionally heavy.

Farmers were urged by the collector to take advantage of the assistance of deputy collectors when the deputies are in their vicinity. The January period is the first time farmers are required to report on their 1944 earnings. Either an original Estimated Declaration or a final return must be filed by farmers.

The San Mateo Zone Office will be open from January 1 to January 15 inclusive.

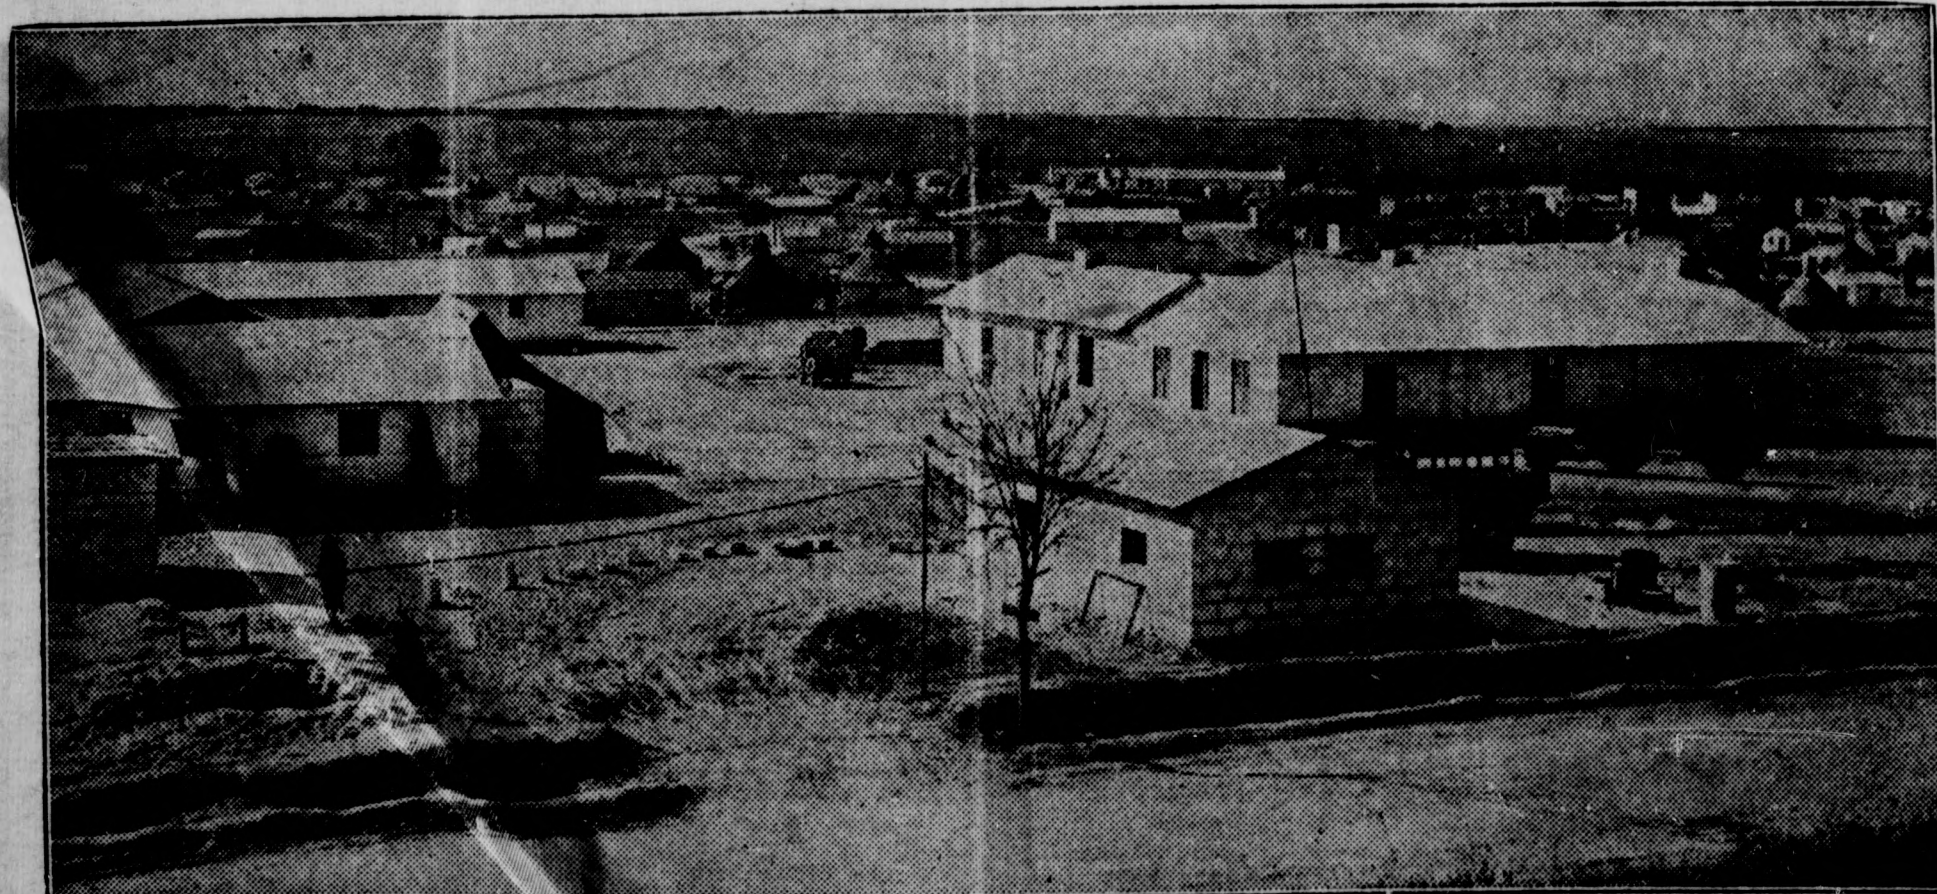

Deputy Anderson will be at Tanforan in San Bruno, January 4, in the Bank of America in San Bruno January 5 to 6, and in the Post Office in South San Francisco, January 8 to 15 inclusive.

Deputy Collector E. Armenio will be in the Post Office in South San Francisco, January 1 to 6; in the Bank of America in Colma, January 9; in the Bank of America in Pescadero, January 10; the Bank of America in Half Moon Bay, January 11; the School House in Sharp Park, January 12, and in the Bank of America in Daly City, January 13 and 15.

Deputy Collector Don Mather will be in the Maritime School in San Mateo, January 8 to 9, and

ALL THE COMFORTS OF HOME, WELL NEARLY ANYHOW - -

U. S. AIRMEN BUILD THEIR OWN VILLAGE—At a 15th Air Force heavy bomber base in Italy genius GIs resolved to "winterize" against the cold, rain and mud that hampered life in their tents. Building blocks of tufo stone were obtained at a few cents apiece, transportation was available, sewage material was

Released by U. S. War Department, Bureau of Public Relations.

abundant and there was no man power shortage insofar as architects, builders and decorators were concerned. They went to work with a will during off-duty hours and this town is the result. The investment in their villas ran from \$30 for a one-room house to \$200 for a six-room affair.

Damon Runyon's "Irish Eyes Are Smiling" at Daly City Theatre

Sure and from the sight of the fun-filled shenanigans of the screen of the Daly City theatre, currently, it's a broth of a time local movie-goers will be having with Damon Runyon's "Irish Eyes Are Smiling." The new Technicolor musical starring Monty Woolley, June Haver and Dick Haymes is true four-leaf entertainment from start to finish.

By this time, it's common knowledge that when 20th Century-Fox dips into the sweet nostalgia of the past, it ladles out giant scoops of richly seasoned fun, peppered with excitement, blended with wonderful music, and all lavishly served up in gorgeous settings. "Irish Eyes Are Smiling" is no exception. It stands out as the most entrancing screen fare of the season.

The picture revolves about the life of Ernest R. Ball, America's greatest composer of sentimental ballads. Producer Damon Runyon and Director Gregory Ratoff have taken rich advantage of the riotous color and brilliant times in which he lived—the razzle-dazzle era of gay Broadway at its gayest—as the setting for this fast-moving romance of hot-headed Irish sweethearts and the flaming melodies that have always topped America's lilt parade.

Monty Woolley is cast as the fabulous man-about-town, Edgar Brawley, former gold mine operator, race horse owner, snake oil salesman and get-rich-quick specialist who walks backwards into the lives and romance of Mary "Irish" O'Brien and Ernest Ball. The part is tailor-made to fit Monty Woolley and he plays it to the hilt in one of the most enjoyable performances of the year.

Lovely June Haver, who scored a signal success in "Home In Indiana," come into her own in "Irish Eyes Are Smiling." June is seen as Mary "Irish" O'Brien who can deliver a sweet note or a telling sock in the eye with equal facility. That Haver gal has everything it takes for top-of-the-screen stardom, and if this film is any indication, she has already arrived.

June's romantic interest in the film is Dick Haymes in the role of Ernest Ball, the singing-composer who rose from obscurity to the toast of Broadway. Together they make as well a "team" as you've seen in a long time. In addition to a great voice, Haymes has a refreshing charm and solid acting ability that makes him a rarity among singing movie stars.

Anthony Quinn as a bet-a-million gambler; Beverly Whitney as a temperamental prima donna, and the inimitable Maxie Rosenbloom as Stanley Ketchel, all provide wonderful performances.

When it comes to sheer musical delight, "Irish Eyes Are Smiling" is tops. The theme of the story is, of course, a "natural" for a musical.

NOW AT DALY CITY THEATRE

A rogue with a brogue, a dancing darlin' and a fabulous man-about-town in the persons of Dick Haymes, June Haver and Monty Woolley are the cause of the hilarious excitement—romantic and otherwise—in Damon Runyon's "Irish Eyes Are Smiling." The new 20th Century-Fox Technicolor musical hit, packed with the flaming melodies that have always topped America's lilt parade, was produced by Damon Runyon and directed by Gregory Ratoff, with Anthony Quinn, Beverly Whitney and Maxie Rosenbloom in featured roles.

Troop No. 148

After their regular meeting Friday evening, December 29, members of Boy Scout Troop No. 148 adjourned to the home of Scoutmaster Alfred Zwysig, 58 Cavour street, for ice cream and cookies. At the party the scoutmaster presented each patrol with semaphore flags.

Scouts of Troop 148 who ushered at the East-West game were Donald Gfroerer, Jack Ferro, Leslie Bock, and Alfred Rudd.

It is planned to organize a Cub Pack and among the new group's first members will be Leonard Monson, Donald Monson, and Michael Laramie.

County Tax Rate

New Year's round-up of facts about San Mateo county government shows the county tax rate for general purposes at \$1.1485 for 1944-45, compared with \$1.07 per \$100 of assessed value for 1943-44; assessed value of taxable property in the county of \$140,759,075 for 1944-45, compared with \$136,889,109 for last year; per capita valuation of \$843 for this year, compared with \$913 for 1943-44; and 167,000 people estimated in the county at January 1, 1945, compared with 150,000 on January 1, 1944. These data, summarized by California Taxpayers' association, are for the county alone. Data for the cities, and the school and other districts in the county are not included.

County and other local governments in California are, on the whole, in good financial shape at the beginning of 1945, the taxpayers' organization said.

Major General Julian C. Smith Addresses War Chest Heads

Commending the success of the California War Chest drive which netted 103 per cent of its \$21,053,929 goal for an over-subscription of close to \$700,000, Major General Julian C. Smith, commanding general, Department of the Pacific, U. S. Marine Corps, addressed a week-end victory meeting of Northern California War Chest chairmen and county leaders in San Francisco.

General Smith, who led the Marine Corps attacks at Tarawa and Palau, stated that "the continuance of the splendid work of USO in this country and its Camp-Shows abroad is of the utmost importance in maintaining the high morale of our fighting forces."

The following War Chest leaders were present from San Mateo county: Evelyn Carlson, Redwood City; Edward H. Cosgriff, San Mateo; Mrs. A. S. Kalenborn, San Mateo; Ira H. Potter, San Mateo; Mrs. Henry P. Russell, Burlingame; and A. H. Sagehorn, San Carlos.

WAR COUNCIL ASKS AID

The California State War Council has called on the Daly City Police department for co-operation in meeting the problem presented law enforcement officials and agencies as Japanese heretofore excluded from the state are permitted to return.

The special notice asked that local officers keep the statement of the State Law Enforcement Advisory committee, issued with the approval of Governor Earl Warren, in mind in preserving and protecting the rights of all the people:

"We consider it our sworn duty as law enforcement officers to fully cooperate with the Army authorities in dealing with the return of the Japanese residents of this state. All persons regardless of race are entitled to the full protection of the law. The Army has carefully investigated each person who is to be permitted to return and will not allow those who are potentially dangerous to return.

"There should be no difficulty involved in this transition unless incidents are provoked by intemperate words and thoughtlessness.

"During this period of adjustment the reputation of each of our California communities will be at stake. We have faith in the good judgment of the people of California. We confidently expect all citizens to join with us in furthering full respect of the individual rights involved.

THE WANT ADS

WANTED: Pianos for spot cash. Also tuned and repaired. SKY-line 6783.

WANTED — 2 or 3 rm. furnished apt. by serviceman's wife and 8 yr. old girl. Delaware 9483. Near Sheridan School preferred.

LOST — Diamond dinner ring with six small diamonds. Vicinity near Central Creamery, DELaware 5590.

"It is our belief that cheerful cooperation with the Army program will be in furtherance of our war effort and in keeping with our war purposes and our duty as American citizens."

AIR CARGO JOBS OPEN AS VOLUME IS STEPPED UP

United Air Lines calls for more men to keep vital war materiel flying

With the tempo of the war in the Pacific increasing daily, United Air Lines is flying the greatest volume of air cargo in its history.

In this vital war work, cargo handlers at the San Francisco Airport are doing a tremendous job of keeping this war materiel moving to all parts of the nation and war zones, the airline reports.

However, with the air transport job increasing as the war is stepped up, more cargo handlers are needed today at the airport.

In addition to the war cargo there is a great volume of domestic air express, mail and other cargo to be loaded and unloaded from Mainliners landing and taking off every hour at the San Francisco Airport.

Cargo handlers find working conditions at United Air Lines pleasant, and co-workers are friendly and helpful to new employees. Transportation to the San Francisco Airport is convenient—busses stop at the gate of United Air Lines. And the airline recently opened a new and modern cafeteria for its employees. Employee benefits include vacations with pay, insurance, periodic wage review, and a retirement plan.

To help out in this vital war work, men are urgently needed today. Apply at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

LEGAL ADVERTISING

Notice of Intention to Engage in the Sale of Alcoholic Beverages

December 27, 1944

To Whom It May Concern:

Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Colonial Cafe, 6192 Mission Street, Daly City.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance of an alcoholic beverage license (or licenses) for these premises as follows:

On sale beer and wine. On sale distilled spirits.

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Red Cross Aids Vets

Disabled veterans of World War II are being helped in readjusting to civilian life by an American Red Cross program which begins in the hospitals abroad.

Overseas, 1,600 hospital workers acquaint the wounded with government benefits and Red Cross services which will be available on their return to this country. At home, hospital workers filed 96,000 claims for veterans of this war from October, 1943, through April, 1944.

Red Cross hospital workers are helping to prepare the family of the disabled veteran for his return by explaining the man's handicap, detailing further treatment recommended by the medical officer, and by advising the family how best to help the serviceman make his readjustment.

SAVES PERISHABLES

Throughout liberated France, quartermaster soldiers operate cold storage plants where perishable foods are stored prior to delivery to field troops, it was stated today by the Ninth Service Command Quartermaster office.

HOSPITAL EQUIPMENT

Complete equipment for 5,000 civilian hospital patients in ten hospitals in the U. S. S. R. soon will be provided by the American Red Cross for priority shipment aboard Soviet government ships to Russia, where hospitals are badly needed.

NORDEN BOMBSIGHT

The Norden Bombsight, invented in 1924 by C. L. Norden, was originally developed and used by the Naval Air Service and is now utilized by both the Army and Navy.

Bank of America Funds Reach New High

Bank of America's year end statement of condition shows capital funds at the new high mark of \$219,322,000. This is an increase of \$52,937,000 over a year ago, \$41,161,530 of which was realized from the issuance, December 29, 1944, of 800,000 shares of new common stock.

Deposits and resources were also established at new high levels. At December 30, 1944, deposits were \$4,340,539,000, a gain of \$842,386,000 over a year ago. Total resources were \$4,599,124,000, an advance of \$901,212,000 during the year.

Loans and discounts outstanding at the year end aggregated \$894,436,000, an increase of \$83,776,000 over December 31, 1943. Investments in securities amounted to \$2,740,064,000, an increase of \$644,632,000 over the previous

year end, chiefly representing purchases of U. S. Government securities.

President L. M. Giannini pointed out that this year the bank has changed to the reserve method of providing for losses on loans as permitted by the Internal Revenue Act. A new "Reserve for Bad Debts" amounting to \$9,068,000 net at the year end was set up for this purpose from 1944 earnings. This reserve, which has not been allocated to any particular loans or type of loan, is to cover losses that may develop.

Keep on Backing the Attack with your purchases of WAR BONDS. Give War Bonds for Christmas.

The works of the great clock on the Campanile of the University of California at Berkeley are lodged in an underground vacuum.

Guaranteed Meat

A Lot To Do About Ground Meat

There's a difference in the pan-frying and broiling times for the various kinds of ground meat. Beef and veal require the same cooking time but lamb and pork take a bit longer. When two or more kinds of ground meat are mixed together, the time is gauged by the kind of meat in the largest proportion. However, when there's fresh pork in the combination it's advisable to follow the timing given, for pork must be cooked thoroughly.

GROUND BEEF AND VEAL

Because of their leanness, ground beef and veal are benefited by the addition of fat or liquid, such as suet, eggs, or evaporated milk. Eggs and evaporated milk also act as binders to help hold the ground beef and veal together after they're cooked.

Tests show the best results are obtained by using 2 eggs or 4 tablespoons of evaporated milk or 4 tablespoons of suet for each pound of ground beef or veal. $\frac{1}{4}$ pound beef or veal patty, broiled or pan-fried, should be cooked about 10 minutes—5 minutes on each side.

GROUND LAMB

It isn't necessary to add any binding ingredients to ground lamb for it holds its shape when cooked. However, the addition of a little chopped bacon contributes a delectable flavor and adds the fat that is needed.

For patties and mock cutlets and chops of average thickness that are to be pan-fried or broiled, it is best to allow about 30 minutes—15 minutes for each side.

GROUND FRESH PORK

Ground pork is often confused with fresh pork sausage. The difference lies in the fact that sausage contains spices and seasonings while ground fresh pork does not.

A binding ingredient or extra fat is not required for ground pork because it is tender and juicy enough without any additions.

It takes at least 20 minutes for pan-frying or broiling of fresh pork patties of average thickness and it is important that they be well done throughout.

RECIPE OF THE WEEK

CREAMED GROUND MEAT: Sauté 1 lb. ground meat, $\frac{1}{2}$ cup finely diced onion, in 2 tablespoons shortening until meat and onion are browned. Break meat apart as it cooks. Blend in 4 tablespoons of flour, season to taste. Gradually add 3 cups milk, stirring constantly. Cook until thick. Serve on toast cubes, in pastry cases, in noodle ring or over steamed rice. Serves 6.

Advertised prices including produce subject to stock on hand and price changes made necessary by market fluctuations or new regulations from OPA.

IDA HAD THE IDEA

Prices in this ad are effective Thursday through Saturday, January 4-5-6 inclusive, in San Francisco, Oakland, Berkeley, Richmond, Hayward and other cities and towns (except Monterey, Park) in San Mateo, Alameda, and Contra Costa Counties, unless changes are required as a result of new OPA regulations.

Safeway is the answer for anyone who wants to save money! That's just one of the many things about Safeway. You can be sure of finding low prices there, always. Get into the Safeway habit this week and notice how much you've saved by the end of the month.

SAFEGWAY

Servicemen

(Continued from Page 1)

handling almost 3,000 patients at a time.

Outstanding work and research have been carried on in the treatment of hepatitis and jaundice, in the prevention and care of trench-foot, in the use of the Lyons-penicillin treatment of war wounds, and other aspects of medicine and surgery.

Air raids, land mines, wind storms, water shortages, and other hindrances and obstacles were overcome at various times by the efforts and ingenuity and cheerfulness of the hospital staff. Colonel Knauer points out, and the hospital continued to grow in size, reputation and importance. By last August, the hospital occupied 256 buildings, huts and tents, with 120 wards, a large convalescent camp, and capacity for 3,400 patients, with expansion space for 800 more.

Now functioning in France, the 23rd—sponsored by Buffalo General hospital—is in the same village the 23rd Base hospital of the last war occupied. The "old 23rd" was also sponsored by Buffalo General hospital.

With the 24th Infantry (Victory) Division in the Philippines—Private First Class Charles E. Blunt, 285 Templeton avenue, Daly City, will long remember the footrace between members of his company in the 24th Division's famous old 19th Infantry Regiment and a large force of Japanese for commanding positions atop a strategic hill on Leyte island.

In the wake of an artillery barrage which drove the Japs from the positions on the forward slope of the hill, the company moved up in a column. The advance patrol on reaching the top shouted word back that the Japs were rushing up the other side.

The company deployed in skirmish line and dashed for the top, arriving there at the same time as the Japs did. A sharp, fierce fight with machine guns, rifles and hand grenades developed in the fading twilight and lasted until dark. Then both sides dug in on their respective slopes just below the crest and only a few yards apart. The Japs fired machine guns from the flanks and tossed hand grenades over the crest during the night, but they failed to budge Blunt and his buddies from their captured positions.

In the operation the company's supply line was cut and it took two days of fighting to clear the Japs from the general area so that ammunition and food supplies could be replenished and the wounded evacuated.

Assign Deputies To Aid Taxpayers

(Continued from Page 1)

in the City Hall in San Mateo, January 1 to 6, and January 10 to 15.

Deputy Collector Grace Lydane will be in the Dibble hospital in Menlo Park, January 6 and January 8; Menlo Park's City Hall, January 11 and 12; in the Veterans hospital in Palo Alto, January 9 and 10, and in the Supervisor's room in Redwood City, January 13 and 15.

Deputy Collector James Shanley will be in San Mateo's city hall January 13 and 15; in the Supervisor's room in Redwood City January 9 to January 12.

All deputies will be in the San Mateo Zone Office when not covering above assignments.

LECTURE COURSES

Following its very successful original presentation last spring, the course of twelve lectures, "Youth and Marriage Today," sponsored by the San Francisco Council of Churches, the YWCA and the YMCA, will be offered again this year at Central YMCA, 220 Golden Gate avenue, San Francisco. The lectures will begin Thursday, January 11 at 8 p. m., and will continue on Thursday nights through March 29. For information concerning registration, call Mr. Wyant at TUxedo 0460.

Noel Keys, Ph. D., consulting psychologist and a professor of the University of California, will again conduct the course. He will be assisted this year by Karl Bowman, M. D.,

OBITUARIES

HENRY SCHULZE

Funeral services were held at W. C. Lasswell and company mortuary Saturday, December 30, for Henry Schulze, 288 Hillcrest drive, who died at Community hospital December 28. He is survived by relatives in New York city. Interment was at Woodlawn cemetery.

He was 84 years old and had resided in this community for more than ten years.

JACOB DURENBERGER

Jacob Durenberger, 84, a former resident of Colma, passed away at San Jose, December 30, after a long illness. Funeral services were held at W. C. Lasswell's, January 2 at 2 p. m.

Survivors include his wife, Eva; his children, Mrs. Bertha Garcia, Mrs. Josephine Gabriel, and Nicholas Durenberger; his grandchildren, George Gabriel and Vivian Garcia.

ALEXIUS F. FRIMAN

Funeral services were held January 1, 10:30 a. m. at W. C. Lasswell and company mortuary for Alexius F. Friman, 120 Santa Cruz avenue. He was 86 when he passed away, December 27. Interment was at Olivet Memorial park.

Friman was the husband of the late Mary A. Friman; the father of the late Harry D. Friman; the grandfather of George Friman and Robert Friman, U. S. Army; the great grandfather of Mary Frances Friman.

MRS. ELEANOR SILER

Mrs. Eleanor Siler, who was born in Daly City and spent most of her life here, died at San Mateo, January 3. She was the wife of Eugene E. Siler, serving in the South Pacific with the U. S. Navy. Arrangements for funeral services are still pending. She was only 27.

Mrs. Siler was the daughter of Karl and the late Bertha N. Anderson; the sister of Frances and Clarence Anderson, the aunt of Robert and Sharon Anderson; the niece of Leonard and Carl Colberg.

Recently she had been making her home at Belmont.

Local OPA News

Due to outlook for prolonged war in Europe and a greater need for food supplies in early part of 1945, the drastic action taken by the OPA in cancelling red and blue stamps and putting some canned goods back in rationing was necessary.

DESTROY ALL RED AND BLUE POINTS ISSUED BEFORE DECEMBER 1: Warning housewives and other consumers, as well as all retail merchants, that the use of red and blue ration points issued before December 1 has been made illegal by the new Washington OPA rationing regulations which went into effect at midnight, December 25, George A. Farady, chief enforcement executive of the San Francisco District Office of the Office of Price Administration, issued the following statement today:

"The order of the Office of Price Administration tightening rationing regulations and returning all canned vegetables to the ration list cancels all red and blue points issued before December 1. Use of such points by either consumer or retailer is now illegal and all such points in the possession of housewives or others should be immediately destroyed.

"The Enforcement Division is now conducting a concerted drive to see that all retail outlets conform to the new regulations and that they have, at all times, the proper point values in their possession. Red stamps 8A to 8Z and 5A to 5P inclusive, and blue stamps 8A to 8Z and 5A to 5W inclusive, are the cancelled stamps. It is your patriotic duty to destroy them if they are still in your possession.

AUTOMOBILES

A drive to secure compliance with used car ceiling prices is now in progress. Common violations take the form of upgrading, side payments, unreasonably low trade-in allowances, requirements to buy on time, unfulfilled warranties, and illegal charges for "extras." As you know, specific dollars-and-cents ceilings are in effect for all used passenger cars. The two types of ceiling prices are the "as is" and "warranty" prices. All persons who are not dealers must sell at no more than the "as is" price. However, allowances for extra equipment, such as \$10 for a heater and \$30 for a radio, may be added to the ceiling price.

New Year Weekend "Fairly Quiet"

(Continued from Page 1)

bed. The remains were removed to Lasswell's.

On January 1 Howard Ward, 127 Flournoy street, reported that his bicycle had been stolen.

Robert Martinelli, 7 East Market street, reported to the police that on January 1 while riding his bicycle, a dog bit him. The boy was taken to Alemany hospital and treated for dog bite.

Several cases of boys shooting B B guns and a .22 rifle were reported. Following one of these, officers took the guns from the boys and reprimanded them.

Frank Ferris, 444 Vista Grande avenue, phoned the police department January 1 for an ambulance to take his wife, suffering from appendicitis, to St. Francis hospital. E. Bertelli and A. Brush rushed her to the hospital in the county ambulance.

County Blood Bank is Given High Praise by Navy, State Officials

A group of Navy and state health officials have concluded a survey of the work performed by the San Mateo County Blood Bank as part of a wide study to determine the part blood banks will play in the postwar world, according to Mrs. Paul J. Hanzlik of the bank staff.

Lieutenant Commander Richard Edwin Shope and Lieutenant Commander Norman Rudolph Stoll of the U. S. Navy formerly of the Rockefeller Institute in Princeton, New Jersey, accompanied by Dr. Malcolm Merrill of the State Department of Public Health and the latter's assistant, Dr. Howard Bodley, comprised the group.

Taxable Property in San Mateo County Is Valued at \$843 Person

Assessed value per person of taxable property in San Mateo county this year averaged \$843 for each of the 167,000 persons estimated to be in the county at January 1, 1945, California Taxpayers' association announced today, making public its study of property per capita in California counties. Total assessed value of property in the county for 1944-45 is \$140,759,075.

Property valuations in the county averaged \$913 per capita for 1943-44, the association found, total valuation amounting to \$136,889,109 and population at January 1, 1944, estimated at 150,000.

Woodrow P. T. A.

Mrs. Florence Hopman, 27 Gambetta street, will be hostess to members for the executive board of Woodrow Wilson P. T. A. at a 12:30 p. m. luncheon and meeting Tuesday, January 9. Co-hostess will be Mrs. Catherine Duffy.

Plans for the Tuesday, January 16, regular meeting will be made by the board. At the same session, arrangements for representation at the January district meeting will be made.

The unit plans a rummage sale for January 22-23 under the chairmanship of Mrs. Martha Linden, Delaware 7320, who will welcome donations for the event.

Jobs For Men In Air Transportation Essential Work With Postwar Future

Air Transportation is an essential industry today but is not a "duration industry." United Air Lines is flying war cargo and personnel now, and tomorrow this airline will be expanded beyond all wartime and peacetime levels.

Here are positions now open to men at the San Francisco Airport:

Sheet Metal	Spray Painters	Engine Parts Cleaners
Radio Electric	Cargo Handlers	Airplane Cleaners
Instrument Service	Janitors	Gas Truck Driver
Stock Clerks		Assistant Cook

These are the benefits you receive at United Air Lines. Vacations with pay, insurance protection, periodic wage review, and a retirement plan.

Two employment offices; San Francisco Airport, Bayshore Blvd. at San Bruno Ave., and 421 Powell St., San Francisco.

MAIN OFFICES IN TWO RESERVE CITIES OF CALIFORNIA
SAN FRANCISCO LOS ANGELES

Branches throughout California united for strength and service

dollars. It means the building of a statewide institution for public service, developed through imaginative private enterprise with the support of the millions of people whom it serves. It means banking service through nearly 500 branches and 45 military and special facilities in more than 300 communities.

"LITTLE FELLOW'S BANK"

So declares A. P. Giannini, founder of the Bank of America, on publication of the bank's year-end statement of condition. "Our bank was organized to give service to the many rather than the few," he says. "In a real sense we are the bank of the people; in other words, the little fellow's bank."

Ownership of this bank rests in the hands of approximately 144,040 stockholders (as of Nov. 15, 1944), including 10,800 employees.

SERVICE TO THE MANY

More than one and a half billion dollars of this bank's deposits represent the savings of nearly two million residents of California. Their average account is \$770.

Total deposits (savings and commercial) represent approximately three million deposit accounts, averaging about \$1400 per account.

On December 30, 1944, Bank of America had 430,000 loans out to the people, the business establishments and the war industries of the state. Through the purchase of securities more than two billion dollars was on loan to the United States Government.

SIGNIFICANCE TO CALIFORNIA

Loans to business, small and large, and to individuals and to farmers form a large part of this bank's lending activity. The average loan to business in 1944 was \$4800. The average personal loan was \$222.

Growth of a bank in California to a four billion dollar stature means that California is a vigorously growing state, with a healthy economy, a prosperous forward-looking people and a firm financial foundation.

The Women's Page

THINGS THAT MAKE OVERSEAS PATIENT HAPPY

A little thing like a glass of grapefruit juice, a fresh egg, or a piece of fresh meat are mighty important to the wounded soldier overseas, says Staff Sergeant Clifton M. Rogers of Quincy, Massachusetts, a veteran "medic" back from duty at Guadalcanal. He is now at Fort Sam Houston, Texas.

"These small items in the day of an average American assume important proportions to an injured soldier in the field hospital abroad," reports the Sergeant. "They are appreciated not only because of the comfort and cheer they bring but because they mean the home folks have kept supplies coming across the ocean."

DESIGNED FOR G. I.

A new cold weather hood, which buttons onto coats or jackets, has been developed by the Army, the Ninth Service Command Quartermaster office announced today.

It is designed to wear over the regular field-cap, or under a helmet and is made of wind resistant, water repellent sateen.

"SKATING VANITIES OF 1945" A MUSICAL SPECTACLE TO PLAY SAN FRANCISCO

Opens Friday, January 5 at S. F. Civic Auditorium for 17 Days

Dolly Durkin and LaVada Simmons featured dancers of "Skating Vanities of 1945" opening Friday, January 5 for 17 days at S. F. Civic Auditorium.

Skating Vanities of 1945, the new musical extravaganza on skates that comes to the S. F. Civic Auditorium, Friday, January 5 for a 17 day engagement, is a new and novel production offering all the gorgeous beauty, color and grace of the major ice shows, as presented by the world's outstanding exponents of skating on wheels. Skating Vanities is the show that was featured in the 20th Century Fox, Betty Grable film, the "Pin-Up-Girl." Topping the program is lovely Gloria Nord, whose skating is one of the highlights of the Grable film.

Skating Vanities carries a cast of 126, who equal the skill of the stars of the silver blades in their precision and colorful 26 odd acts

Silent, living "personators" enacted the parts of dead ancestors in the family worship of ancient China.

and ensemble numbers. One of the major production numbers is "Symphony in Blue" which is said to be a thing of beauty, not only to the eye, with the 60 beautiful skatingettes and the 26 handsome skating-cadets and Gloria Nord, world's greatest skating ballerina in a swirl of rose, aquamarine and chartreuse ostrich-plumed fans, but also to the ear. The Strauss waltzes reminiscent of Old Vienna serve as a musical background.

Night performances will be at 8:30 and Sunday matinees at 2:30. Tickets now on sale at Crane Box office and Auditorium. Reserved seat prices are \$2.40, \$1.80, and \$1.20 with 1000 unreserved seats on sale each night at 90c. All prices include tax.

Stricter Budgeting For Mrs. America

Tightening of war-time food controls will mean stricter budgeting of ration points for Mrs. America in the New Year.

Food requirements of the armed forces in 1945 will be greater than was at one time anticipated, which means that there will be less for the home front. The return of several items to rationing was necessary to assure every civilian getting his fair share.

Blue ration stamps are going to figure more prominently in family marketing, since they will be required when buying canned asparagus, green or wax beans, corn, spinach and peas. Canned tomatoes, of course, have been rationed right along.

And when it comes to spending red points, the housewife must remember that she will need them for buying almost all meats—that is, all cuts and grades of beef, all pork except a few fat cuts, all lamb except utility grades and some forequarter cuts, beef and veal liver, and most sausage products and canned meats.

Increase in point value of butter from 20 to 24 points a pound, though severe, was taken to bring about a more even distribution. Areas far from production centers were not getting their fair share. Butter will now be "spread" more evenly through the country, if perhaps a little thinner in some spots.

To prevent a drain on stocks of food available for civilians in 1945 the government has cancelled all red and blue stamps except current ones, thus insuring rationing on a fair basis, rather than first-come-first-served.

Stamps which are no longer good are: red stamps A8 through Z8 and A5 through P5, and blue stamps A8 through Z8 and A5 through W5, all in War Ration Book Four. These stamps should be destroyed immediately, to prevent their possible diversion into black market channels.

In addition, sugar stamps 30, 31, 32 and 33 are cancelled along with home-canning sugar stamp No. 40. These also should be destroyed.

Compensating partially for the return of most meats to rationing the OPA has announced that red stamps will now be validated at the rate of 50 points a ration period instead of 30, as previously.

Red stamps which are now good for the purchase of meats and fats are Q5 through X5. Blue stamps X5 through Z5 and A2 through G2 are valid for buying processed fruits and vegetables. Sugar Stamp No. 34 is still good for five pounds of sugar.

However, use your sugar supply with caution, as your next five pounds, stamp for which will become valid February 1, will have to last three months instead of two and a half.

If busy Mrs. America finds she can spare a few free hours, she may put them to good use by offering her services to her local War Price and Rationing board.

Volunteers are needed to act as price panel assistants and do other work important in the battle against inflation.

Pershing Unit Holds
Regular Monthly Meet

Mrs. Louise Eliassen called the regular meeting of General Pershing P. T. A. to order at 1:45 p. M. Tuesday, January 2, in Pershing school. The salute to the flag and P. T. A. song were led by Mrs. Eva Derrick; the Collect was read in unison.

Mrs. Anne O'Connell reported on the December 14 Seventeenth district C. C. P. T. meeting.

Mrs. Enid Gold revealed that the unit now has a membership of 134 and hopes to better this figure in the new year. Mrs. O'Connell gave a report on the rag drive which netted the unit \$13.

Plans are being made for a theatre party for the February graduates of Pershing. Another event on the advance schedule for the unit is a night whist for Wednesday, January 31, 8:30 o'clock at the school. It will be for the benefit of the life membership fund.

At the January 2 meeting, Miss Henrietta Engel's first grade class won the banner for the month and put on the demonstration, which included songs and recitations on health.

Mrs. Charles Rayburn, unit counsellor, gave a talk on conservation and thrift. Mrs. Janet Delucchi reported on the December 14 Christmas party for the children.

Miss Louella Osborne, P. G. and E. home economist, showed a colored film entitled "It Happened in the Kitchen." Refreshments were served at the close of the meeting.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

Marriage Licenses

Among December marriage licenses issued in San Mateo county were one to Carl Johnson, San Francisco, and Georgina C. Bennett, Daly City, and one to Ottavio Tolovi, Daly City, and Olga Lanza, Colma.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Boys Of Troop 141
Usher At Classic

Eight members of Boy Scout Troop No. 141 attended the East-West football game, New Year's day. The following were ushers: Ray Lagomarsino, George Ritter, Danny Anderson, George Robinson, Bob Howe, and Donald Hies-enbuttel, an honorary member. Flagbearers were Robert Secco and Eric Durkins. Senior Cub Billy Ritter also attended. After the game, the boys went out to Camp Boy Joy to work.

Cub Pack No. 141 will hold its regular monthly meeting Friday, January 5, 7 p. m. at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues. Cubmaster Joseph Straughan urges all members, and any boys interested in joining the pack, to be present. After the meeting, the boys will go swimming at Crystal pool, supervised by Mr. Spriggs, troop committeeman.

Roosevelt-Downey
Committee To Meet

Wednesday, January 10 at 8 p. m., a meeting of the Roosevelt-Downey committee will be held at the residence of Walter Harju, secretary, 119 Los Banos avenue. All members are urged to attend.

Not everybody with a dollar to spare can shoot a gun straight—but everybody can shoot straight to the bank and buy War Bonds. Buy your 10% every pay day.

New Babies

Local couples receiving congratulations upon the arrival of new babies include Mr. and Mrs. Louis Bacigalupi, Daly City, a son born December 23; Mr. and Mrs. Albert R. Gallegos, Colma, a daughter, December 27; Mr. and Mrs. Warren Ross, 737 Hanover street, a son, December 23.

WILL SHOW MOVIES AT FORUM

Charles Day, lecturer and traveler, will show colored movies of the Pan American highway at the meeting of the Peninsula Forum at San Mateo junior college, Monday evening, January 8. The forum is open to the general public without charge, with the lecture starting at 7:30.

The forum is only one part of the adult center program offered to the adults of the peninsula by the college. The adult center is starting its winter quarter next Monday and has over 70 sections from which the public may choose. Commercial courses, radio, shop, sewing, short story writing, Americanization sections, book news, math, gardening, income tax returns, blue prints, and recreation gym courses are only a few of the many sections offered.

Meanwhile the day junior college is nearing the end of its first semester. The college basketball team under Coach Lee Bissett still has a heavy schedule of games to be played and

Our boys must keep on fighting—we must keep on buying WAR BONDS until victory is won. Keep on BACKING THE ATTACK.
